

## MoMagic Technologies Pvt. Ltd. wins the "Fastest Growing Mobile Internet Company in India" award at the 9th NTA ICT World Communication Awards, 2015

---

New Delhi, October 27, 2015: The 9th NTA ICT World Communication Awards, 2015 held at India Habitat Center, New Delhi, India announced MoMagic Technologies as the "Fast Growing Mobile Internet Company in India".

International Telecommunication Union (ITU) Geneva is highest UN elected body in the world to promote Telecom & IT and it's indeed a privilege moment for India with Dr. Malcolm Johnson, Deputy Secretary General, International Telecommunication Union-ITU Geneva (UN Body), in person presenting the 9th NTA ICT World Communication Awards, 2015.

Speaking on the occasion, Prof. N K Goyal, President CMAI, said, "It is been a privilege for CMAI to award and recognize MoMagic Technologies as the 'Fastest growing Mobile Internet Company in India. MoMagic, a MediaTek invested company, has shown tremendous growth and technological innovativeness in the space of Mobile Internet and Mobile Platform and this award is an inspiration to the team to reach further heights."

Mr. Arun Gupta, CEO and Founder MoMagic Technologies, said, "Getting recognition and award as the Fastest Growing Mobile Internet Company in India at the 9th NTA ICT World Communication Awards, 2015 is indeed a proud moment for MoMagic Technologies."

Mr. Gupta further said, "It's a recognition of our aggressive growth and expansion strategy. We aspire to be amongst the top players in the Mobile Internet space in India and South East Asia by 2020 and play a defining role in the Digital India drive."

About CMAI and 9<sup>th</sup> NTA ICT World Communication Awards:

CMAI, the National Apex Trade Promotion Association of India has been organizing NTA ICT World Communication Awards for the last eight years. Most significant is the fact that this is the only ICT recognition platform show in the world which is supported by Government & various associations around the globe & represented by the Secretary General, International Telecommunication Union, Geneva (A UN Body).
